**Objective**

Highly motivated and detail-oriented Master of Pharmacy graduate specializing in Quality Assurance. Seeking an entry-level position to leverage my skills in pharmaceutical formulation, method development within a dynamic organization.

**Education****Master of Pharmacy (M.Pharm)**

Savitribai Phule Pune University, Pune  
Expected Graduation: 2024  
- Specialization: Quality Assurance

**Bachelor of Pharmacy (B.Pharm)**

Savitribai Phule Pune University, Pune  
Graduated: April 2022  
- CGPA: 7.98

**Key Skills**

- Pharmaceutical Formulation
- Drug Evaluation
- Quality Control and Assurance
- Laboratory Techniques
- Data Analysis
- Attention to Detail
- Problem-Solving Skills

**Projects****Formulation, Analytical Method Development, and Evaluation of Orodispersible Tablet of Benazepril HCL Using HPLC Method (Currently Working)**

- Developing a novel formulation for orodispersible tablets of Benazepril HCL to enhance patient compliance.
- Conducting comprehensive analytical method development using High-Performance Liquid Chromatography (HPLC) for accurate and reliable quantification of Benazepril HCL.
- Evaluating the tablet's physical and chemical properties to ensure stability and efficacy.
- Optimizing the formulation process to achieve desired dissolution profiles and rapid disintegration times.
- Presenting findings in a detailed report, highlighting the efficiency of the developed method and its potential impact on patient adherence to hypertension medication regimens.

**Certifications**

- MSCIT (2016)

**Workshops and Seminars**

- Participated in Alumni Power Talk Series on "Advancement of Point of Care Testing Devices in Medical Practice and Patient Care."
- Attended a webinar on "Intellectual Property Rights: Challenges, Risks & Solutions."
- Participated in the International Conference on "Traditional Medicine."

- Participated in the National Conference on "Functional Polymers: Applications & Advantages in Development of Oral Solid Dosage Forms."

#### **Academic Achievements**

- First Rank in B.Pharm 2nd and 3rd Year

#### **Publications and Presentations**

- Co-authored a research paper on "**Pulmonary Arterial Hypertension - A Challenge to Science,**" published in the International Journal for Research Trends and Innovation, February 2024.

#### **Languages**

- English  
- Hindi  
- Marathi
